The repairs needed to my structures or landscape will be my total responsibility.

### HOLD HARMLESS AGREEMENT

I also understand and agree to hold harmless bee removal contractors and those assisting with Honeybee removal from any claims, suits, actions or causes of action arising out of any accident/incident or any damages that may occur in the process of removing the honeybees.

I understand some people may be moderately to severely allergic to bee stings. The reactions can vary from mild discomfort to a serious life threatening medical condition. More severe reactions include generalized swelling and itching, faintness, sweating, a pounding headache, stomach cramps or vomiting, a feeling of impending doom, a tight chest or choking sensation with swelling of the throat and in extreme cases anaphylactic shock with death resulting.
